## Product Datasheet

### **Estrogen Receptor (Estrogen Receptor alpha delta 4\*5,6,7\*/654 isoform, Estrogen Receptor alpha delta 4 +49 isoform, Nuclear receptor subfamily 3 group A member 1) (FITC), Clone: [ER506], Mouse, Monoclonal MBS6122246-0.1**

|                          |                                                                                                                                                                                                              |

| Hersteller               | MyBiosource                                                                                                                                                                                                  |
| Wirt                     | Mouse                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                   |
| Klonalität               | Monoclonal                                                                                                                                                                                                   |
| Klon-Bezeichnung         | [ER506]                                                                                                                                                                                                      |
| Reinheit                 | Purified by Protein G Affinity Chromatography                                                                                                                                                                |
| Formulierung             | Supplied as a liquid in 10mM PBS. No preservative added. BSA-Free. Labeled with Fluorescein isothiocyanate (FITC).                                                                                           |
