## Product Datasheet

**SNAPC4 (snRNA-activating Protein Complex Subunit 4, SNAPc Subunit 4, Proximal Sequence Element-binding Transcription Factor Subunit alpha, PSE-binding Factor Subunit alpha, PTF Subunit alpha, snRNA-activating Protein Complex 190kD  
MBS6133890-0.1**

|                          |                                                                                                                                                                                                                                        |

| Hersteller               | MyBiosource                                                                                                                                                                                                                            |
| Wirt                     | Mouse                                                                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                                                                             |
| Klonalität               | Monoclonal                                                                                                                                                                                                                             |
| Klon-Bezeichnung         | [1D1]                                                                                                                                                                                                                                  |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                                                                         |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Alkaline Phosphatase (AP).                                                                                                                                    |
