## Product Datasheet

**CLEC2D (CLAX, LLT1, OCIL, C-type Lectin Domain Family 2 Member D, Lectin-like NK Cell Receptor, Lectin-like Transcript 1, Osteoclast Inhibitory Lectin) (HRP), Clone: [4C7], Mouse, Monoclonal  
MBS6151849-0.1**

|                          |                                                                                                                                                                                                |

| Wirt                     | Mouse                                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                                     |
| Klonalität               | Monoclonal                                                                                                                                                                                     |
| Klon-Bezeichnung         | [4C7]                                                                                                                                                                                          |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                                 |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with horseradish peroxidase (HRP).                                                                                         |
