## Product Datasheet

### **BBOX1 (Gamma-butyrobetaine Dioxygenase, Gamma-butyrobetaine Hydroxylase, Gamma-BBH, Gamma-butyrobetaine,2-oxoglutarate Dioxygenase, BBH, BBOX) (PE), Clone: [6H3], Mouse, Monoclonal MBS6156706-0.1**

|                          |                                                                                                                                                                                      |

| Alternativnummer         | MBS6156706-0.1                                                                                                                                                                       |
| Hersteller               | MyBiosource                                                                                                                                                                          |
| Wirt                     | Mouse                                                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                                                           |
| Klonalität               | Monoclonal                                                                                                                                                                           |
| Klon-Bezeichnung         | [6H3]                                                                                                                                                                                |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                       |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with R-Phycoerythrin (PE).                                                                                       |
