| Alternativnummer         | MBS6157903-0.1                                                                                                                                                                               |
| Hersteller               | MyBiosource                                                                                                                                                                                  |
| Wirt                     | Mouse                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                   |
| Klonalität               | Monoclonal                                                                                                                                                                                   |
| Klon-Bezeichnung         | [1B2]                                                                                                                                                                                        |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                               |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with R-Phycoerythrin (PE).                                                                                               |
