## Product Datasheet

### **FLVC2, CT (FLVCR2, C14orf58, Feline leukemia virus subgroup C receptor-related protein 2, Calcium-chelate transporter) (FITC), Rabbit, Polyclonal MBS6299459-0.2**

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | FLVC2, CT (FLVCR2, C14orf58, Feline leukemia virus subgroup C receptor-related protein 2, Calcium-chelate transporter) (FITC), Rabbit, Polyclonal |
| Artikelnummer            | MBS6299459-0.2                                                                                                                                    |
| Hersteller Artikelnummer | MBS6299459-0.2                                                                                                                                    |
| Alternativnummer         | MBS6299459-0.2                                                                                                                                    |
| Hersteller               | MyBiosource                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                        |
| Klonalität               | Polyclonal                                                                                                                                        |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                    |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Fluorescein Isothiocyanate (FITC).                                       |
