## Product Datasheet

**RPL10A, NT (RPL10A, NEDD6, 60S ribosomal protein L10a, CSA-19, Neural precursor cell expressed developmentally down-regulated protein 6) (AP), Rabbit, Polyclonal**  
**MBS6343314-0.2**

|                          |                                                                                                                                                                   |

| Alternativnummer         | MBS6343314-0.2                                                                                                                                                    |
| Hersteller               | MyBiosource                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                        |
| Klonalität               | Polyclonal                                                                                                                                                        |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                    |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Alkaline Phosphatase (AP).                                                               |
