| Hersteller               | MyBiosource                                                                                                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                                                                                             |
| Klonalität               | Polyclonal                                                                                                                                                                                                                             |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                                                                         |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Alkaline Phosphatase (AP).                                                                                                                                    |
