| Hersteller               | MyBiosource                                                                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                                                                                          |
| Klonalität               | Polyclonal                                                                                                                                                                                                                          |
| Reinheit                 | Purified by Immunoaffinity chromatography.                                                                                                                                                                                          |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Allophycocyanin (APC).                                                                                                                                     |
