| Artikelname              | CR2, CT (Complement Receptor Type 2, Cr2, Complement C3d Receptor, Epstein-Barr Virus Receptor, EBV Receptor, CD21, C3DR) (FITC), Rabbit, Polyclonal |
| Artikelnummer            | MBS6468020-0.2                                                                                                                                       |
| Hersteller Artikelnummer | MBS6468020-0.2                                                                                                                                       |
| Alternativnummer         | MBS6468020-0.2                                                                                                                                       |
| Hersteller               | MyBiosource                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                           |
| Klonalität               | Polyclonal                                                                                                                                           |
| Reinheit                 | Purified by Immunoaffinity chromatography.                                                                                                           |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Fluorescein Isothiocyanate (FITC).                                          |
