| Alternativnummer         | MBS6290218-5X0.1                                                                                                                                                                                     |
| Hersteller               | MyBiosource                                                                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                                                           |
| Klonalität               | Polyclonal                                                                                                                                                                                           |
| Reinheit                 | Purified by Protein A and Peptide Affinity Chromatography.                                                                                                                                           |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with MaxLight650.                                                                                                                |
