## Product Datasheet

**DHB13, NT (HSD17B13, SCD9, 17-beta-hydroxysteroid dehydrogenase 13, Short-chain dehydrogenase/reductase 9) (MaxLight 405), Rabbit, Polyclonal**  
**MBS6291920-5X0.1**

|                          |                                                                                                                                               |

| Artikelname              | DHB13, NT (HSD17B13, SCD9, 17-beta-hydroxysteroid dehydrogenase 13, Short-chain dehydrogenase/reductase 9) (MaxLight 405), Rabbit, Polyclonal |
| Artikelnummer            | MBS6291920-5X0.1                                                                                                                              |
| Hersteller Artikelnummer | MBS6291920-5x0.1                                                                                                                              |
| Alternativnummer         | MBS6291920-5X0.1                                                                                                                              |
| Hersteller               | MyBiosource                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                    |
| Klonalität               | Polyclonal                                                                                                                                    |
| Reinheit                 | Purified by Protein A and Peptide Affinity Chromatography.                                                                                    |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with MaxLight405.                                                         |
