## Product Datasheet

**G3BP1, CT (G3BP1, G3BP, Ras GTPase-activating protein-binding protein 1, ATP-dependent DNA helicase VIII, GAP SH3 domain-binding protein 1) (AP), Rabbit, Polyclonal**  
**MBS6300642-5X0.2**

|                          |                                                                                                                                                                      |

| Artikelname              | G3BP1, CT (G3BP1, G3BP, Ras GTPase-activating protein-binding protein 1, ATP-dependent DNA helicase VIII, GAP SH3 domain-binding protein 1) (AP), Rabbit, Polyclonal |
| Artikelnummer            | MBS6300642-5X0.2                                                                                                                                                     |
| Hersteller Artikelnummer | MBS6300642-5x0.2                                                                                                                                                     |
| Alternativnummer         | MBS6300642-5X0.2                                                                                                                                                     |
| Hersteller               | MyBiosource                                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                           |
| Klonalität               | Polyclonal                                                                                                                                                           |
| Reinheit                 | Purified by Protein A and Peptide Affinity Chromatography.                                                                                                           |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Alkaline Phosphatase (AP).                                                                  |
