## Product Datasheet

**MARCH10, ID (MARCH10, RNF190, Probable E3 ubiquitin-protein ligase  
MARCH10, Membrane-associated RING finger protein 10, Membrane-  
associated RING-CH protein X, RING finger protein 190) (AP), Rabbit,  
Polyclonal  
MBS6318935-5X0.2**

|                          |                                                                                                                                                                                                                  |

| Hersteller               | MyBiosource                                                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                                       |
| Klonalität               | Polyclonal                                                                                                                                                                                                       |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                                                   |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Alkaline Phosphatase (AP).                                                                                                              |
