## Product Datasheet

**MARCH4, CT (MARCH4, KIAA1399, RNF174, E3 ubiquitin-protein ligase  
MARCH4, Membrane-associated RING finger protein 4, Membrane-  
associated RING-CH protein IV, RING finger protein 174) (PE), Rabbit,  
Polyclonal  
MBS6318967-5X0.2**

|                          |                                                                                                                                                                                                                |

| Alternativnummer         | MBS6318967-5X0.2                                                                                                                                                                                               |
| Hersteller               | MyBiosource                                                                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                     |
| Klonalität               | Polyclonal                                                                                                                                                                                                     |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                                                 |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with R-Phycoerythrin (PE).                                                                                                                 |
