## Product Datasheet

**TMBIM4, NT (TMBIM4, GAAP, LFG4, Protein lifeguard 4, Golgi anti-apoptotic protein, Protein S1R, Transmembrane BAX inhibitor motif-containing protein 4, Z-protein) (FITC), Rabbit, Polyclonal MBS6356122-5X0.2**

|                          |                                                                                                                                                                                               |

| Hersteller               | MyBiosource                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                    |
| Klonalität               | Polyclonal                                                                                                                                                                                    |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                                |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Fluorescein Isothiocyanate (FITC).                                                                                   |
