| Alternativnummer         | MBS9502341-5X0.1                                                                                                                                                                                 |
| Hersteller               | MyBiosource                                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                       |
| Klonalität               | Polyclonal                                                                                                                                                                                       |
| Konzentration            | 1 mg/ml                                                                                                                                                                                          |
| Reinheit                 | Purified from rabbit antiserum by affinity-chromatography using phospho peptide. The antibody against non-phospho peptide was removed by chromatography using corresponding non-phospho peptide. |
| Formulierung             | Rabbit IgG in phosphate buffered saline (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                                               |
