## Product Datasheet

**AASDH (Acyl-CoA Synthetase Family Member 4, Amino adipate-semialdehyde Dehydrogenase, Protein NRPS998, ACSF4, U26, HSPC318),  
Mouse, Polyclonal  
MBS6007208-5X0.05**

|                          |                                                                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | AASDH (Acyl-CoA Synthetase Family Member 4, Amino adipate-semialdehyde Dehydrogenase, Protein NRPS998, ACSF4, U26, HSPC318), Mouse, Polyclonal |
| Artikelnummer            | MBS6007208-5X0.05                                                                                                                              |
| Hersteller Artikelnummer | MBS6007208-5x0.05                                                                                                                              |
| Alternativnummer         | MBS6007208-5X0.05                                                                                                                              |
| Hersteller               | MyBiosource                                                                                                                                    |
| Wirt                     | Mouse                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                     |
| Klonalität               | Polyclonal                                                                                                                                     |
| Reinheit                 | Affinity PurifiedPurified by Protein A affinity chromatography.                                                                                |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2.                                                                                                           |
