| Artikelname              | Keratin, LMW (Low Molecular Weight Keratin, Type 1 Keratin, Type 1 Cytokeratin, Acidic Keratin, Acidic Cytokeratin, Epithelial Type 1 Keratin) (FITC), Clone: [AE-1], Mouse, Monoclonal |
| Artikelnummer            | MBS6122300-5X0.1                                                                                                                                                                        |
| Hersteller Artikelnummer | MBS6122300-5x0.1                                                                                                                                                                        |
| Alternativnummer         | MBS6122300-5X0.1                                                                                                                                                                        |
| Hersteller               | MyBiosource                                                                                                                                                                             |
| Wirt                     | Mouse                                                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                                                              |
| Klonalität               | Monoclonal                                                                                                                                                                              |
| Klon-Bezeichnung         | [AE-1]                                                                                                                                                                                  |
| Reinheit                 | Purified by Protein G Affinity Chromatography                                                                                                                                           |
| Formulierung             | Supplied as a liquid in 10mM PBS. No preservative added. BSA-Free. Labeled with Fluorescein isothiocyanate (FITC).                                                                      |
