| Hersteller               | MyBiosource                                                                                                                                                                             |
| Wirt                     | Mouse                                                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                                                              |
| Klonalität               | Monoclonal                                                                                                                                                                              |
| Klon-Bezeichnung         | [3E7]                                                                                                                                                                                   |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                          |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Alkaline Phosphatase (AP).                                                                                     |
