| Artikelname              | SNAP29 (SNAP29, Synaptosomal-associated Protein 29, SNAP-29, Vesicle-membrane Fusion Protein SNAP-29, Soluble 29kD NSF Attachment Protein) (AP), Clone: [3E4-E6], Mouse, Monoclonal |
| Artikelnummer            | MBS6133885-5X0.1                                                                                                                                                                    |
| Hersteller Artikelnummer | MBS6133885-5x0.1                                                                                                                                                                    |
| Alternativnummer         | MBS6133885-5X0.1                                                                                                                                                                    |
| Hersteller               | MyBiosource                                                                                                                                                                         |
| Wirt                     | Mouse                                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                                          |
| Klonalität               | Monoclonal                                                                                                                                                                          |
| Klon-Bezeichnung         | [3E4-E6]                                                                                                                                                                            |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                      |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with Alkaline Phosphatase (AP).                                                                                 |
