| Hersteller               | MyBiosource                                                                                                                                                                                                                           |
| Wirt                     | Mouse                                                                                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                                                                                            |
| Klonalität               | Monoclonal                                                                                                                                                                                                                            |
| Klon-Bezeichnung         | [3E10]                                                                                                                                                                                                                                |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                                                                        |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with horseradish peroxidase (HRP).                                                                                                                                |
