## Product Datasheet

**CREB3L2 (BBF2H7, Cyclic AMP-responsive Element-binding Protein 3-like Protein 2, BBF2 Human Homolog on Chromosome 7, Processed Cyclic AMP-responsive Element-binding Protein 3-like Protein 2, MGC131709, MGC71006) (HRP), Clone: [1B8 MBS6151954-5X0.1**

|                          |                                                                                                                                                                                                                                        |

| Hersteller               | MyBiosource                                                                                                                                                                                                                            |
| Wirt                     | Mouse                                                                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                                                                             |
| Klonalität               | Monoclonal                                                                                                                                                                                                                             |
| Klon-Bezeichnung         | [1B8]                                                                                                                                                                                                                                  |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                                                                         |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with horseradish peroxidase (HRP).                                                                                                                                 |
