## Product Datasheet

**SH3BP5 (SH3 Domain-binding Protein 5, SH3BP-5, SH3 Domain-binding Protein that Preferentially Associates with BTK, SAB) (HRP), Clone: [2B3], Mouse, Monoclonal MBS6154944-5X0.1**

|                          |                                                                                                                                                                |

| Artikelname              | SH3BP5 (SH3 Domain-binding Protein 5, SH3BP-5, SH3 Domain-binding Protein that Preferentially Associates with BTK, SAB) (HRP), Clone: [2B3], Mouse, Monoclonal |
| Artikelnummer            | MBS6154944-5X0.1                                                                                                                                               |
| Hersteller Artikelnummer | MBS6154944-5x0.1                                                                                                                                               |
| Alternativnummer         | MBS6154944-5X0.1                                                                                                                                               |
| Hersteller               | MyBiosource                                                                                                                                                    |
| Wirt                     | Mouse                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                     |
| Klonalität               | Monoclonal                                                                                                                                                     |
| Klon-Bezeichnung         | [2B3]                                                                                                                                                          |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                 |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with horseradish peroxidase (HRP).                                                         |
