| Artikelname              | SLC13A5 (Solute Carrier Family 13 Member 5, Na(+)/citrate Cotransporter, NaCT, Sodium-coupled Citrate Transporter, Sodium-dependent Citrate Transporter) (HRP), Clone: [2G4], Mouse, Monoclonal |
| Artikelnummer            | MBS6154993-5X0.1                                                                                                                                                                                |
| Hersteller Artikelnummer | MBS6154993-5x0.1                                                                                                                                                                                |
| Alternativnummer         | MBS6154993-5X0.1                                                                                                                                                                                |
| Hersteller               | MyBiosource                                                                                                                                                                                     |
| Wirt                     | Mouse                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                      |
| Klonalität               | Monoclonal                                                                                                                                                                                      |
| Klon-Bezeichnung         | [2G4]                                                                                                                                                                                           |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                                  |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with horseradish peroxidase (HRP).                                                                                          |
