## Product Datasheet

**SLC2A10 (Solute Carrier Family 2, ATS, Facilitated Glucose Transporter Member 10, Glucose Transporter Type 10, GLUT10, GLUT-10) (HRP), Clone: [1E12], Mouse, Monoclonal MBS6155030-5X0.1**

|                          |                                                                                                                                                                         |

| Artikelname              | SLC2A10 (Solute Carrier Family 2, ATS, Facilitated Glucose Transporter Member 10, Glucose Transporter Type 10, GLUT10, GLUT-10) (HRP), Clone: [1E12], Mouse, Monoclonal |
| Artikelnummer            | MBS6155030-5X0.1                                                                                                                                                        |
| Hersteller Artikelnummer | MBS6155030-5x0.1                                                                                                                                                        |
| Alternativnummer         | MBS6155030-5X0.1                                                                                                                                                        |
| Hersteller               | MyBiosource                                                                                                                                                             |
| Wirt                     | Mouse                                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                                              |
| Klonalität               | Monoclonal                                                                                                                                                              |
| Klon-Bezeichnung         | [1E12]                                                                                                                                                                  |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                          |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with horseradish peroxidase (HRP).                                                                  |
