## Product Datasheet

**ATP6V1B2 (V-type Proton ATPase Subunit B, Brain Isoform, V-ATPase Subunit B 2, Endomembrane Proton Pump 58kD Subunit, HO57, Vacuolar Proton Pump Subunit B 2, ATP6B2, VPP3) (PE), Clone: [M1], Mouse, Monoclonal  
MBS6156650-5X0.1**

|                          |                                                                                                                                                                                                                  |

| Hersteller               | MyBiosource                                                                                                                                                                                                      |
| Wirt                     | Mouse                                                                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                                                                       |
| Klonalität               | Monoclonal                                                                                                                                                                                                       |
| Klon-Bezeichnung         | [M1]                                                                                                                                                                                                             |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                                                   |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with R-Phycoerythrin (PE).                                                                                                                   |
