## Product Datasheet

**CASP9 (Caspase 9, Caspase-9, CASP-9, ICE-like Apoptotic Protease 6, ICE-LAP6, Apoptotic Protease Mch-6, Apoptotic Protease-activating Factor 3, APAF-3, MCH6) (PE), Clone: [3B8-4G2], Mouse, Monoclonal MBS6156886-5X0.1**

|                          |                                                                                                                                                                                                         |

| Artikelnummer            | MBS6156886-5X0.1                                                                                                                                                                                        |
| Hersteller Artikelnummer | MBS6156886-5x0.1                                                                                                                                                                                        |
| Alternativnummer         | MBS6156886-5X0.1                                                                                                                                                                                        |
| Hersteller               | MyBiosource                                                                                                                                                                                             |
| Wirt                     | Mouse                                                                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                                                                              |
| Klonalität               | Monoclonal                                                                                                                                                                                              |
| Klon-Bezeichnung         | [3B8-4G2]                                                                                                                                                                                               |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                                          |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with R-Phycoerythrin (PE).                                                                                                          |
