## Product Datasheet

### **CDK9 (Cyclin-dependent Kinase 9, C-2K, Cell Division Cycle 2-like Protein Kinase 4, Cell Division Protein Kinase 9, Serine/Threonine-protein Kinase PITALRE, CDC2L4) (PE), Clone: [2D7], Mouse, Monoclonal MBS6157032-5X0.1**

|                          |                                                                                                                                                                                                            |

| Hersteller Artikelnummer | MBS6157032-5x0.1                                                                                                                                                                                           |
| Alternativnummer         | MBS6157032-5X0.1                                                                                                                                                                                           |
| Hersteller               | MyBiosource                                                                                                                                                                                                |
| Wirt                     | Mouse                                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                                 |
| Klonalität               | Monoclonal                                                                                                                                                                                                 |
| Klon-Bezeichnung         | [2D7]                                                                                                                                                                                                      |
| Reinheit                 | Purified by Protein A Affinity Chromatography.                                                                                                                                                             |
| Formulierung             | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with R-Phycoerythrin (PE).                                                                                                             |
