## Product Datasheet

### **Recombinant SARS-CoV-2 Spike RBD Protein (C-terminal His Tag), Unconjugated ABC-A331832-100**

|                          |                                                                                   |
|--------------------------|-----------------------------------------------------------------------------------|
| Artikelname              | Recombinant SARS-CoV-2 Spike RBD Protein (C-terminal His Tag),<br>Unconjugated    |
| Artikelnummer            | ABC-A331832-100                                                                   |
| Hersteller Artikelnummer | A331832-100                                                                       |
| Alternativnummer         | ABC-A331832-100                                                                   |
| Hersteller               | Antibodies.com                                                                    |
| Kategorie                | Proteine/Peptide                                                                  |
| Konjugation              | Unconjugated                                                                      |
| Konzentration            | Reconstitution dependent.                                                         |
| Tag                      | C-terminal His Tag                                                                |
| Puffer                   | Lyophilized from Phosphate Buffered Saline, pH 7.4 (0.22µm filter<br>sterilized). |
| Expression System        | HEK293 cells                                                                      |
| Reinheit                 | >95% (by Tris-Bis PAGE and SEC-HPLC).                                             |
| Formulierung             | Lyophilized                                                                       |
| Target-Kategorie         | Spike RBD                                                                         |
