### Synthetic Nanodisc Human TPC2 Protein, Unconjugated ABC-A332592-50

|                          |                                                                                                                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Synthetic Nanodisc Human TPC2 Protein, Unconjugated                                                                                                                                                           |
| Artikelnummer            | ABC-A332592-50                                                                                                                                                                                                |
| Hersteller Artikelnummer | A332592-50                                                                                                                                                                                                    |
| Alternativnummer         | ABC-A332592-50                                                                                                                                                                                                |
| Hersteller               | Antibodies.com                                                                                                                                                                                                |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                              |
| Konjugation              | Unconjugated                                                                                                                                                                                                  |
| Produktbeschreibung      | Synthetic nanodiscs offer a stable and biologically relevant environment that closely mimics cell membranes and enables full-length transmembrane human TPC2 protein to be purified and analysed in vitro.... |
| Konzentration            | Reconstitution dependent.                                                                                                                                                                                     |
| Tag                      | C-terminal Flag Tag                                                                                                                                                                                           |
| Puffer                   | Lyophilized from 20 mM Tris-HCl, 150 mM NaCl, pH 8.0 with 5% - 8% Trehalose. Do not use solvents with pH lower than 6.5 in subsequent experiments.                                                            |
| Expression System        | HEK293 cells                                                                                                                                                                                                  |
| Formulierung             | Lyophilized                                                                                                                                                                                                   |
| Target-Kategorie         | TPC2                                                                                                                                                                                                          |
