### Synthetic Nanodisc Human CLIC4 Protein, Unconjugated ABC-A332656-50

|                          |                                                                                                                                                                                                                |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Synthetic Nanodisc Human CLIC4 Protein, Unconjugated                                                                                                                                                           |
| Artikelnummer            | ABC-A332656-50                                                                                                                                                                                                 |
| Hersteller Artikelnummer | A332656-50                                                                                                                                                                                                     |
| Alternativnummer         | ABC-A332656-50                                                                                                                                                                                                 |
| Hersteller               | Antibodies.com                                                                                                                                                                                                 |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                               |
| Konjugation              | Unconjugated                                                                                                                                                                                                   |
| Produktbeschreibung      | Synthetic nanodiscs offer a stable and biologically relevant environment that closely mimics cell membranes and enables full-length transmembrane human CLIC4 protein to be purified and analysed in vitro.... |
| Konzentration            | Reconstitution dependent.                                                                                                                                                                                      |
| Tag                      | C-terminal Flag Tag                                                                                                                                                                                            |
| Puffer                   | Lyophilized from 20 mM Tris-HCl, 150 mM NaCl, pH 8.0 with 5% - 8% Trehalose. Do not use solvents with pH lower than 6.5 in subsequent experiments.                                                             |
| Expression System        | HEK293 cells                                                                                                                                                                                                   |
| Formulierung             | Lyophilized                                                                                                                                                                                                    |
| Target-Kategorie         | CLIC4                                                                                                                                                                                                          |
