## Product Datasheet

### Interferon-Induced GTP-Binding Protein Mx1 (MX1) Antibody, Unconjugated, Rabbit, Polyclonal ABX001476

|                          |                                                                                                        |
|--------------------------|--------------------------------------------------------------------------------------------------------|
| Artikelname              | Interferon-Induced GTP-Binding Protein Mx1 (MX1) Antibody,<br>Unconjugated, Rabbit, Polyclonal         |
| Artikelnummer            | ABX001476                                                                                              |
| Hersteller Artikelnummer | abx001476                                                                                              |
| Alternativnummer         | ABX001476-20UL,ABX001476-100UL,ABX001476-2X100UL                                                       |
| Hersteller               | Abbexa                                                                                                 |
| Wirt                     | Rabbit                                                                                                 |
| Kategorie                | Antikörper                                                                                             |
| Applikation              | ELISA, IF, IHC, WB                                                                                     |
| Spezies Reaktivität      | Human, Mouse                                                                                           |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to<br>amino acids 200-300 of human MX1. |
| Konjugation              | Unconjugated                                                                                           |
| Klonalität               | Polyclonal                                                                                             |
| Konzentration            | > 0.2 mg/ml                                                                                            |
| Molekulargewicht         | Calculated MW: 76 kDa Observed MW: 76 kDa                                                              |
| NCBI                     | <a href="#">4599</a>                                                                                   |
| UniProt                  | <a href="#">P20591</a>                                                                                 |

|                  |                                                          |
|------------------|----------------------------------------------------------|
| Puffer           | PBS, pH 7.3, containing 0.05% Proclin-300, 50% glycerol. |
| Formulierung     | Liquid                                                   |
| Target-Kategorie | Interferon-Induced GTP-Binding Protein Mx1 (MX1)         |
| Antibody Type    | Primary Antibody                                         |
