| Artikelname              | ORP150 Recombinant Antibody, AbBy Fluor-750 Conjugated, BF750, Rabbit                                                                                                     |
| Artikelnummer            | BSS-BSM-61932R-BF750                                                                                                                                                      |
| Hersteller Artikelnummer | bsm-61932R-BF750                                                                                                                                                          |
| Alternativnummer         | BSS-BSM-61932R-BF750-100                                                                                                                                                  |
| Hersteller               | Bioss                                                                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                |
| Applikation              | IF, WB                                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                         |
| Konjugation              | BF750                                                                                                                                                                     |
| Produktbeschreibung      | Has a pivotal role in cytoprotective cellular mechanisms triggered by oxygen deprivation. May play a role as a molecular chaperone and participate in protein folding.... |
| Klonalität               | Recombinant                                                                                                                                                               |
| Konzentration            | Lot dependent                                                                                                                                                             |
| NCBI                     | <a href="#">10525</a>                                                                                                                                                     |
| UniProt                  | <a href="#">Q9Y4L1</a>                                                                                                                                                    |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human HYOU1                                              |
| Reinheit               | Purified by Protein A.                                                                                 |
| Target-Kategorie       | ORP150                                                                                                 |
| Application Verdünnung | WB(WB=1:500-2000), IF(IF=1:50-200)                                                                     |
