## Product Datasheet

### GRB2 Recombinant Antibody, Cy5.5 Conjugated, Rabbit BSS-BSM-62088R-CY5.5

|                          |                                                                                                                              |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | GRB2 Recombinant Antibody, Cy5.5 Conjugated, Rabbit                                                                          |
| Artikelnummer            | BSS-BSM-62088R-CY5.5                                                                                                         |
| Hersteller Artikelnummer | bsm-62088R-Cy5.5                                                                                                             |
| Alternativnummer         | BSS-BSM-62088R-CY5.5-100                                                                                                     |
| Hersteller               | Bioss                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                   |
| Applikation              | IF, WB                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                            |
| Konjugation              | Cy5.5                                                                                                                        |
| Produktbeschreibung      | Adapter protein that provides a critical link between cell surface growth factor receptors and the Ras signaling pathway.... |
| Klonalität               | Recombinant                                                                                                                  |
| Konzentration            | Lot dependent                                                                                                                |
| NCBI                     | <a href="#">2885</a>                                                                                                         |
| UniProt                  | <a href="#">P62993</a>                                                                                                       |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                      |
| Quelle                   | KLH conjugated synthetic peptide derived from human GRB2                                                                     |

|                        |                                        |
|------------------------|----------------------------------------|
| Reinheit               | Purified by Protein A.                 |
| Target-Kategorie       | GRB2                                   |
| Application Verdünnung | WB(WB=1:500-1:2000), IF(IF=1:50-1:200) |
