## Product Datasheet

### WIF1 Recombinant Antibody, RBITC Conjugated, Rabbit BSS-BSM-62242R-RBITC

|                          |                                                                                                        |
|--------------------------|--------------------------------------------------------------------------------------------------------|
| Artikelname              | WIF1 Recombinant Antibody, RBITC Conjugated, Rabbit                                                    |
| Artikelnummer            | BSS-BSM-62242R-RBITC                                                                                   |
| Hersteller Artikelnummer | bsm-62242R-RBITC                                                                                       |
| Alternativnummer         | BSS-BSM-62242R-RBITC-100                                                                               |
| Hersteller               | Bioss                                                                                                  |
| Wirt                     | Rabbit                                                                                                 |
| Kategorie                | Antikörper                                                                                             |
| Applikation              | WB                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                      |
| Konjugation              | RBITC                                                                                                  |
| Produktbeschreibung      | Binds to WNT proteins and inhibits their activities. May be involved in mesoderm segmentation....      |
| Klonalität               | Recombinant                                                                                            |
| Konzentration            | Lot dependent                                                                                          |
| NCBI                     | <a href="#">11197</a>                                                                                  |
| UniProt                  | <a href="#">Q9Y5W5</a>                                                                                 |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                   | KLH conjugated synthetic peptide derived from human WIF1                                               |

|                        |                        |
|------------------------|------------------------|
| Reinheit               | Purified by Protein A. |
| Target-Kategorie       | WIF1                   |
| Application Verdünnung | WB(WB=1:1000-1:2000)   |
