## Product Datasheet

### **TRXRD2/SELZ Polyclonal Antibody, PerCP-Cy5.5 Conjugated, PerCP/Cy5.5, Rabbit BSS-BS-8628R-PERCP-CY5.5**

|                          |                                                                                                                                                      |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | TRXRD2/SELZ Polyclonal Antibody, PerCP-Cy5.5 Conjugated, PerCP/Cy5.5, Rabbit                                                                         |
| Artikelnummer            | BSS-BS-8628R-PERCP-CY5.5                                                                                                                             |
| Hersteller Artikelnummer | bs-8628R-PerCP-Cy5.5                                                                                                                                 |
| Alternativnummer         | BSS-BS-8628R-PERCP-CY5.5-100                                                                                                                         |
| Hersteller               | Bioss                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                           |
| Applikation              | IF, WB                                                                                                                                               |
| Spezies Reaktivität      | Rat                                                                                                                                                  |
| Konjugation              | PerCP/Cy5.5                                                                                                                                          |
| Produktbeschreibung      | Maintains thioredoxin in a reduced state. Implicated in the defenses against oxidative stress. May play a role in redox-regulated cell signaling.... |
| Klonalität               | Polyclonal                                                                                                                                           |
| Konzentration            | 1ug/ul                                                                                                                                               |
| NCBI                     | <a href="#">10587</a>                                                                                                                                |
| UniProt                  | <a href="#">Q9NNW7</a>                                                                                                                               |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human SELZ                                               |
| Reinheit               | Purified by Protein A.                                                                                 |
| Target-Kategorie       | TRXRD2/SELZ                                                                                            |
| Application Verdünnung | WB(1:300-5000), IF(ICC)(1:50-200), IF()                                                                |
