## Product Datasheet

### **Poliovirus Receptor/PVR, IgG2a, Clone: [5I13D1], Unconjugated, Mouse, Monoclonal NBS-ABB-S29PCH-100**

|                          |                                                                                                                                                         |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Poliovirus Receptor/PVR, IgG2a, Clone: [5I13D1], Unconjugated, Mouse, Monoclonal                                                                        |
| Artikelnummer            | NBS-ABB-S29PCH-100                                                                                                                                      |
| Hersteller Artikelnummer | ABB-S29PCH-100                                                                                                                                          |
| Alternativnummer         | NBS-ABB-S29PCH-100                                                                                                                                      |
| Hersteller               | Nordic BioSite                                                                                                                                          |
| Wirt                     | Mouse                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                              |
| Applikation              | FC, IHC, WB                                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                            |
| Immunogen                | E.coli-derived human Poliovirus Receptor/PVR recombinant protein (Position: D28-E331).                                                                  |
| Konjugation              | Unconjugated                                                                                                                                            |
| Produktbeschreibung      | Anti-Poliovirus Receptor/PVR Antibody (monoclonal, 5I13D1) . Tested in Flow Cytometry, IHC, WB applications. This antibody reacts with Human, Mouse.... |
| Klonalität               | Monoclonal                                                                                                                                              |
| Konzentration            | 500 ug/ml                                                                                                                                               |
| Klon-Bezeichnung         | [5I13D1]                                                                                                                                                |

|                  |                        |
|------------------|------------------------|
| Molekulargewicht | 70-80 kDa              |
| Isotyp           | IgG2a                  |
| Sensitivitaet    | >5000 cells            |
| NCBI             | <a href="#">5817</a>   |
| UniProt          | <a href="#">P15151</a> |
| Target-Kategorie | PVR                    |
| Antibody Type    | Primary Antibody       |
