## Product Datasheet

### **PDK2, Clone: [AEOA-16], Unconjugated, Rabbit, Monoclonal NBS-ABB-SBR0VK-100**

|                          |                                                                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | PDK2, Clone: [AEOA-16], Unconjugated, Rabbit, Monoclonal                                                                                    |
| Artikelnummer            | NBS-ABB-SBR0VK-100                                                                                                                          |
| Hersteller Artikelnummer | ABB-SBR0VK-100                                                                                                                              |
| Alternativnummer         | NBS-ABB-SBR0VK-100                                                                                                                          |
| Hersteller               | Nordic BioSite                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                  |
| Applikation              | FC, ICC, IF, IHC, IP, WB                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                           |
| Immunogen                | A synthesized peptide derived from human PDK2                                                                                               |
| Konjugation              | Unconjugated                                                                                                                                |
| Produktbeschreibung      | Anti-PDK2 Monoclonal Antibody . Tested in WB, IHC, ICC/IF, IP, Flow Cytometry applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                  |
| Konzentration            | 0.5 mg/ml                                                                                                                                   |
| Klon-Bezeichnung         | [AEOA-16]                                                                                                                                   |
| Molekulargewicht         | 23147 MW                                                                                                                                    |
| Sensitivitaet            | >5000 cells                                                                                                                                 |

|                  |                                                                                                                     |
|------------------|---------------------------------------------------------------------------------------------------------------------|
| NCBI             | <a href="#">5164</a>                                                                                                |
| UniProt          | <a href="#">Q15119</a>                                                                                              |
| Puffer           | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Formulierung     | Liquid                                                                                                              |
| Target-Kategorie | PDK2                                                                                                                |
| Antibody Type    | Primary Antibody                                                                                                    |
