| Alternativnummer         | NBS-ABB-SD44J9-100                                                                                                                                                                     |
| Hersteller               | Nordic BioSite                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                                             |
| Applikation              | FC                                                                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                      |
| Immunogen                | E. coli-derived human HOMER3 recombinant protein (Position: R282-A360). Human HOMER3 shares 88.6% and 89.9% amino acid (aa) sequence identity with mouse and rat HOMER3, respectively. |
| Konjugation              | Cy3                                                                                                                                                                                    |
| Produktbeschreibung      | Anti-HOMER3 Antibody . Tested in IHC, WB applications. This antibody reacts with Human, Mouse, Rat....                                                                                 |
| Klonalität               | Polyclonal                                                                                                                                                                             |
| Konzentration            | 500 ug/ml                                                                                                                                                                              |
| Molekulargewicht         | 39836 MW                                                                                                                                                                               |
| NCBI                     | <a href="#">9454</a>                                                                                                                                                                   |

|                  |                        |
