| Alternativnummer         | NBS-ABB-3IBAU4-100                                                                                                                                                    |
| Hersteller               | Nordic BioSite                                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                                            |
| Applikation              | FC                                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                     |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human HTRA1, which shares 93.2% amino acid (aa) sequence identity with both mouse and rat HTRA1. |
| Konjugation              | APC                                                                                                                                                                   |
| Produktbeschreibung      | Anti-HTRA1 Antibody . Tested in IHC, WB applications. This antibody reacts with Human, Mouse, Rat....                                                                 |
| Klonalität               | Polyclonal                                                                                                                                                            |
| Konzentration            | 500 ug/ml                                                                                                                                                             |
| NCBI                     | <a href="#">5654</a>                                                                                                                                                  |
| UniProt                  | <a href="#">Q92743</a>                                                                                                                                                |

|                  |                  |
