| Hersteller Artikelnummer | ABB-3V8W9K-100                                                                                                                                                           |
| Alternativnummer         | NBS-ABB-3V8W9K-100                                                                                                                                                       |
| Hersteller               | Nordic BioSite                                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                                               |
| Applikation              | FC                                                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                        |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human SLC26A4, which shares 84.4% amino acid (aa) sequence identity with both mouse and rat SCNN1A. |
| Konjugation              | APC                                                                                                                                                                      |
| Produktbeschreibung      | Anti-SLC26A4 Antibody . Tested in WB applications. This antibody reacts with Human, Mouse, Rat....                                                                       |
| Klonalität               | Polyclonal                                                                                                                                                               |
| Konzentration            | 500 ug/ml                                                                                                                                                                |
| NCBI                     | <a href="#">5172</a>                                                                                                                                                     |
| UniProt                  | <a href="#">O43511</a>                                                                                                                                                   |

|                  |                  |
