## Product Datasheet

### Fibroblast growth factor 4 FGF4, Biotin, Rabbit, Polyclonal NBS-ABB-3X3O9M-100

|                          |                                                                                                                                       |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Fibroblast growth factor 4 FGF4, Biotin, Rabbit, Polyclonal                                                                           |
| Artikelnummer            | NBS-ABB-3X3O9M-100                                                                                                                    |
| Hersteller Artikelnummer | ABB-3X3O9M-100                                                                                                                        |
| Alternativnummer         | NBS-ABB-3X3O9M-100                                                                                                                    |
| Hersteller               | Nordic BioSite                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                            |
| Applikation              | WB                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                     |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human FGF4, identical to the related rat and mouse sequences. |
| Konjugation              | Biotin                                                                                                                                |
| Produktbeschreibung      | Anti-Fibroblast growth factor 4 FGF4 Antibody . Tested in WB applications. This antibody reacts with Human, Mouse, Rat....            |
| Klonalität               | Polyclonal                                                                                                                            |
| Konzentration            | 500 ug/ml                                                                                                                             |
| Molekulargewicht         | 22048 MW                                                                                                                              |
| Sensitivitaet            | <10pg/ml                                                                                                                              |

|                  |                        |
