## Product Datasheet

### CCDC6, Unconjugated, Rabbit, Polyclonal NBS-ABB-4Z32B0-100

|                          |                                                                                                                            |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | CCDC6, Unconjugated, Rabbit, Polyclonal                                                                                    |
| Artikelnummer            | NBS-ABB-4Z32B0-100                                                                                                         |
| Hersteller Artikelnummer | ABB-4Z32B0-100                                                                                                             |
| Alternativnummer         | NBS-ABB-4Z32B0-100                                                                                                         |
| Hersteller               | Nordic BioSite                                                                                                             |
| Wirt                     | Rabbit                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                 |
| Applikation              | FC, ICC, IF, WB                                                                                                            |
| Spezies Reaktivität      | Human, Rat                                                                                                                 |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human CCDC6, identical to the related mouse sequence. |
| Konjugation              | Unconjugated                                                                                                               |
| Produktbeschreibung      | Anti-CCDC6 Antibody . Tested in Flow Cytometry, IF, ICC, WB applications. This antibody reacts with Human, Rat....         |
| Klonalität               | Polyclonal                                                                                                                 |
| Konzentration            | 500 ug/ml                                                                                                                  |
| Molekulargewicht         | 53291 MW                                                                                                                   |
| Sensitivitaet            | >5000 cells                                                                                                                |
| NCBI                     | <a href="#">8030</a>                                                                                                       |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q16204</a>                                                                                     |
| Puffer                 | Each vial contains 5mg BSA, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> . |
| Formulierung           | Lyophilized                                                                                                |
| Target-Kategorie       | CCDC6                                                                                                      |
| Antibody Type          | Primary Antibody                                                                                           |
| Application Verdünnung | FC 1-3ug/1x10 <sup>6</sup> , ICC 5ug/ml, IF 5ug/ml, WB 0.1-0.5ug/ml                                        |
