| Hersteller               | Boster Bio                                                                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | FC, ICC, IF, IHC, WB                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human VDAC, identical to the related rat and mouse sequences.                                                                                                                        |
| Konjugation              | DyLight 488                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Boster Bio Anti-VDAC/Porin/VDAC1 Antibody catalog PA1780. Tested in Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior quality,... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |

|                        |                                                                                                                                                                                                                                               |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Konzentration          | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                     |
| Molekulargewicht       | 34 kDa                                                                                                                                                                                                                                        |
| UniProt                | <a href="#">P21796</a>                                                                                                                                                                                                                        |
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl and 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                                                                  |
| Reinheit               | Immunogen affinity purified.                                                                                                                                                                                                                  |
| Formulierung           | Lyophilized                                                                                                                                                                                                                                   |
| Application Verdünnung | Western blot, 0.1-0.5µg/ml, Human, Mouse, Rat<br>Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml,<br>Human Immunocytochemistry/Immunofluorescence, 5 µg/ml, Human<br>Flow Cytometry (Fixed), 1-3 µg/1x10 <sup>6</sup> cells, Human |
