| Hersteller               | Boster Bio                                                                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | ICC, IF, IHC, WB                                                                                                                                                                                                                                             |
| Spezies Reaktivität      | Human, Monkey, Mouse, Rat                                                                                                                                                                                                                                    |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human SSR3, identical to the related rat and mouse sequences.                                                                                                                           |
| Konjugation              | Biotin                                                                                                                                                                                                                                                       |
| Produktbeschreibung      | Boster Bio Anti-SSR3 Antibody catalog PA1796. Tested in IF, IHC, ICC, WB applications. This antibody reacts with Human, Monkey, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | 21 kDa                                                                                                                                                                                                                                                       |

|                        |                                                                                                                                                                                                                                     |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q9UNL2</a>                                                                                                                                                                                                              |
| Puffer                 | Each vial contains 5mg BSA, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg Thimerosal, 0.05mg NaN <sub>3</sub> .                                                                                                       |
| Reinheit               | Immunogen affinity purified.                                                                                                                                                                                                        |
| Formulierung           | Lyophilized                                                                                                                                                                                                                         |
| Application Verdünnung | Western blot, 0.1-0.5µg/ml, Human, Monkey, Mouse, Rat<br>Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml, Human, Mouse, Rat<br>Immunocytochemistry , 0.5-1µg/ml, Human<br>Immunofluorescence, 5 µg/ml, Human, Mouse, Rat |
