### Anti-Lipocalin 2/LCN2 Antibody PE Conjugated, Rabbit, Polyclonal BOB-A00452-PE

|                          |                                                                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Lipocalin 2/LCN2 Antibody PE Conjugated, Rabbit, Polyclonal                                                                     |
| Artikelnummer            | BOB-A00452-PE                                                                                                                        |
| Hersteller Artikelnummer | A00452-PE                                                                                                                            |
| Alternativnummer         | BOB-A00452-PE-100UG,BOB-A00452-PE-100UG/VIAL                                                                                         |
| Hersteller               | Boster Bio                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                           |
| Applikation              | FC                                                                                                                                   |
| Spezies Reaktivität      | Mouse                                                                                                                                |
| Immunogen                | E. coli-derived mouse Lipocalin 2 recombinant protein (Position: Q21-N200).                                                          |
| Konjugation              | PE                                                                                                                                   |
| Produktbeschreibung      | Boster Bio Anti-Lipocalin 2/LCN2 Antibody Picoband catalog A00452. Tested in ELISA applications. This antibody reacts with Mouse.... |
| Klonalität               | Polyclonal                                                                                                                           |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                            |
| Molekulargewicht         | Calculated Molecular Weight: 22875 MW                                                                                                |
| NCBI                     | <a href="#">16819</a>                                                                                                                |

|                        |                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P11672</a>                                                                                       |
| Puffer                 | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Reinheit               | Immunogen affinity purified.                                                                                 |
| Formulierung           | Liquid                                                                                                       |
| Target-Kategorie       | Neutrophil gelatinase-associated lipocalin                                                                   |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells                                                                |
