| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                |
| Immunogen                | Recombinant Human Sulfotransferase 1A1/SULT1A1 Protein is produced by E. coli expression system. The target protein is expressed with sequence (Met1-Leu295) of human SULT1A1 (Accession NP_001046.2) fused with a 6*His tag at the C-terminus. |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                    |
| Produktbeschreibung      | Human Sulfotransferase 1A1/SULT1A1 protein (Recombinant) (C-His)...                                                                                                                                                                             |
