### Human NKG2A&CD94 protein (Recombinant) (N-His-Avi) {Biotin} NBS-PSJ-Q3V9N5-50

|                          |                                                                                                                                                                                                        |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Human NKG2A&CD94 protein (Recombinant) (N-His-Avi) {Biotin}                                                                                                                                            |
| Artikelnummer            | NBS-PSJ-Q3V9N5-50                                                                                                                                                                                      |
| Hersteller Artikelnummer | PSJ-Q3V9N5-50                                                                                                                                                                                          |
| Alternativnummer         | NBS-PSJ-Q3V9N5-50                                                                                                                                                                                      |
| Hersteller               | Nordic BioSite                                                                                                                                                                                         |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                       |
| Immunogen                | DNA sequence encoding Human NKG2A&CD94 including a N-His-Avi tag was expressed in HEK293 Cells. The recombinant protein was then biotinylated site specific using the AVItag biotinylation technology. |
| Konjugation              | Biotin                                                                                                                                                                                                 |
| Produktbeschreibung      | Human NKG2A&CD94 protein (Recombinant) (N-His-Avi) {Biotin}...                                                                                                                                         |
