## Product Datasheet

### Mouse CD31 (PECAM1) protein (Recombinant), Unconjugated NBS-PSJ-UEWCWJ-100

|                          |                                                                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Mouse CD31 (PECAM1) protein (Recombinant), Unconjugated                                                                              |
| Artikelnummer            | NBS-PSJ-UEWCWJ-100                                                                                                                   |
| Hersteller Artikelnummer | PSJ-UEWCWJ-100                                                                                                                       |
| Alternativnummer         | NBS-PSJ-UEWCWJ-100                                                                                                                   |
| Hersteller               | Nordic BioSite                                                                                                                       |
| Kategorie                | Proteine/Peptide                                                                                                                     |
| Immunogen                | Optimized DNA sequence encoding extracellular domain of mouse CD31 including a C-terminal 6His tag was expressed in HEK293 cells. NA |
| Konjugation              | Unconjugated                                                                                                                         |
| Produktbeschreibung      | Mouse CD31 (PECAM1) protein (Recombinant)...                                                                                         |
